## **Bread, bucks and TVs donated to schools for bread wrappers**

A LOCAL bakery has donated R70 000 in cash and video equipment to 30 primary schools in Kyahelitsha as part of its anti-litter campaign.

Duens Bakery launched a project in which bread wrappers were collected over a six-week period. Schools received a donation accord-

ing to the number of bags collected.

Yomelela Primary School collected the most wrappers and received cash, a TV set and a VCR. Runners-up Soyisile Public Primary School and Vuselela Primary School each received cash and a TV set. More than 900 kids received gift hampers.
